TIME FOR RESERVATION: FROM _____ TO _____

_____ A \$100.00 deposit will secure the pool area for pool area reservations. If the pool area is left in a clean and neat manner (as found) the \$100.00 deposit will be fully refunded by the management company. If the pool area is not left in a clean and neat manner as determined by the Pool Committee, Property Manager, or cleaning staff, all or a portion of the \$100.00 deposit will be forfeited.

POOL RULES:

- **BRING your own garbage receptacles OR garbage bags for trash removal. Take all garbage associated with the party back to your homes for disposal.** Garbage left at the pool attracts rodents. The trash receptacles provided by the HOA at the pool are to be used by all the residents for small trash items such as a soda can and occasional trash. These receptacles are not designed for the volume of trash generated by a party.
- NO water balloons. Broken balloons melt in the sun and get into the finish on the pool deck, and also balloons are bad for pool filters.
- NO glass containers or bottles are to be brought to the pool area. If broken glass gets into the pool, the pool must be drained and re-filled. The cost of this will be the responsibility of the homeowner reserving the pool.
- ALL foods must be swept and washed off the decking, tables and chairs.
- PLEASE verify the restrooms are left in a clean, neat and orderly fashion.
- NO food within ten (10) feet of the pool. This is required by the Health Department.
- PUT all furnishings, including pool ring, skimmer, chairs, tables, umbrellas, etc. back in their original location
- REMOVE all decorations.

The pool is open for all residents at all posted times. The reservation is for the covered pool area ONLY. We cannot restrict residents from using the pool or the restroom facilities during a party. **If your trash is not removed, this could reflect the return of your deposit.**

Thank you!
